

## **S PRAKASH RAO SURISETTI**

Assistant Professor

Department

Electrical & Electronics Engineering

Surya215.sp@gmail.com

- Adeptness in conducting root cause analysis while implementing process improvement and cost reduction initiatives improving productivity by technology management.
- Self motivated & goal-oriented with good communication skills and high degree of commitment, creativity, resourcefulness and optimism.

Demonstrated ability in conceptualizing the processing for the product development with careful & sophisticated quality control measures in compliance to the specified standards while performing root-cause analysis to prevent any reoccurrences & defective issues.

### **Academic Background**

M. Tech in EEE (Power & Industrial Drives) From Jawaharlal Nehru Technological University Kakinada

B. Tech in Electrical & Electronic Engineering (EEE) From Jawaharlal Nehru Technological University Kakinada

- **Posses over 4+ years** of experience in Conveyors maintenance both HT and LT, electrical maintenance, optimizing resource utilization, contract management; currently spearheading as a Electrical Engineer at Thejo Engineering Limited
- Proficiency in project planning, scheduling, monitoring, site supervision and execution of projects without incidences of time/ cost overruns.
- Handling conveyor maintenance, breakdown maintenance, preventive maintenance, pneumatic system, hydraulic system, motor protection, [HT](#) and LT breaker maintenance, ABB DCS AC 800M automation, [HT](#) and LT motor maintenance, AMTECH-VT240S VFD Drives,
- Dexterity in maintaining the Transformers upto 5MVA, various protection equipments of MCC level, LC level ,Motors and conveyor
- Handling the material distribution plant (MDP) with plc
