

Mrs. P. MANASA MADHAVI

Assistant Professor

Department

Electrical and Electronics Engineering

manasa.m397@gmail.com

Research Interests:

Optimization Techniques and their applications.

Achievements:

- Presented a paper on "WiTricity" in the event conducted by department of Electrical engineering, Andhra University College of Engineering for women.
- Presented a paper on "Geothermal Energy" in the event ECOTECH organized by AUWEEESA, Andhra University College of Engineering for women.

Academic Background

M. Tech (Instrumentation & Control Systems) –, JNTU Kakinada (JNTUK).

B. Tech (Electrical and Electronics Engineering) – AU College of Engineering for Women.

She has taken subjects related to Power Electronics and has been proficient in teaching subjects like Power system Analysis, Power System Operation and Control and Power Quality, control systems, Network analysis.

She has published 2 papers in various National and International journals and 3 Paper in National and International Conferences.
