

Ms. CH. Sangeetha

Assistant Professor

Department

Electrical Engineering

sangeetha.chitikala@gmail.com

Academic Background

M. Tech (High Voltage Engineering) – JNTUK.

B. Tech (Electrical & Electronics Engineering) – Andhra University College of Engineering for women.

Ms. Ch. Sangeetha has rich experience in the field of electrical engineering. She has taken subjects related to Power systems and control systems and has been proficient in teaching subjects like Electrical circuit Analysis, Electrical Machines and Power electronics.

Research Interests:

Renewable Energy integration and Power systems

Achievements:

NPTEL Elite for Advances in UHV Transmission & Distribution

Secured MHRD-CSS, Merit scholarship for five years.

Publications:

- Presented a paper on “WiTricity” in the event conducted by department of Electrical engineering, Andhra University College of Engineering for women.
- Presented a paper on “Geothermal Energy” in the event ECOTECH organized by AUWEESA, Andhra University College of Engineering for women.
