

Mrs. M . Priya Bharathi

Assistant Professor

Department

Computer Science & Engineering

priyabharati.m@raghuenggcollege.in

Research Interests:

Software Engineering, Computer Networking.

Achievements:

A paper titled Design and analysis of the Performance of a Hybrid cloud for secure data storage with data De-duplication in **International Journal Of Emerging Trends in Engineering and Development**, in November 2016 (ISSN 2249-6149).

Academic Background

M.Tech (Software Engineering) – Raghu Engineering College.

B. Tech (Computer Science & Engineering) – VITS College Of Engineering.

Mrs. M. Priya Bharathi has 4 years of experience in the field of computer Science & engineering. She has been proficient in teaching subjects like

C-Programming

Software Engineering

Unified Modelling Language.

She has published 1 journal paper which is indexed in google scholar.
