

Mr. G.Santosh Kumar Varma

Assistant Professor

Department

E C E

gskvarma90@gmail.com

Academic Background

M.Tech (Embedded Systems) – Pragati Engineering College

B.Tech (Electronics and Communication Engineering) – Progressive Engineering College, JNTUH

Mr. G.Santosh Kumar Varma has rich experience in the field of Digital electronics and Embedded systems. He has taken subjects related to Digital electronics and Embedded systems and has been proficient in teaching subjects like Digital logic design, Micro processors and micro controllers and Embedded systems.

He has published 2 papers in various international journals.

Research Interests:

Digital systems and Internet of Things
