

Mr. K.Koteswara Rao

Assistant Professor

Department

Electronics and Communication Engineering

Koteswararao.kolli@raghuenggcollege.in

Academic Background

M.Tech (Systems and Signal Processing) –
JNTU Vizianagaram

B.Tech (Electronics and Communication
Engineering) – Sivani Engineering college

Mr. K.Koteswara Rao has rich experience in the field of Systems and Signal Processing. He has taken subjects related to Communications and Signal Processing and has been proficient in teaching subjects like Signals and systems, Digital communication, Analog communication, Digital signal processing and Digital image processing.

Research Interests:

VLSI and Digital Signal Processing
